Table of Contents

The Life and Work of Stuart C Dodd	11
Sample of Stuart C Dodd's ideas:	13
A Preview Introducing and Evaluating the "Pan-Acts Matrices" (excerpt).....	13
Things Categories of Cosmists' Actions or Scientists' Four Aims	15
Things Liked Most.....	16
Pan-Acts Cosmos Pictured as the Mass-Time Triangle.....	18
General Systems: A Creative Search for Synthesis (excerpt).....	19
Stuart C Dodd Institute for Social Innovation.....	21
Purposes.....	22
Our Mission.....	22
Our Methods	22
SCDI Founder: Richard Spady	23
The Leadership of Civilization Building.....	24
The Forum Foundation	24
Presidential Address project.....	24
DVDs available from the Forum Foundation.....	24
Founding SCDI Executive Director: Rev. Dr. Richard S. Kirby (1949-2009).....	25
World Network of Religious Futurists.....	25
SCDI Catalyst: August T. Jaccaci	27
2008 Thomas Jefferson Returns	27
Jefferson 2040.....	27
Unity Scholars	28
Futurum Grid, 46th Annual Creative Problem Solving Institute Reference Sheet....	29
SCDI Dodd Memorial Library Editor: Burt Webb	31
The Nexilist Notebook	31
Dodd Memorial Library.....	33
Dodd Memorial Library Editor Note	33
Volumes in the Dodd Memorial Library.....	34
Publications of Stuart C. Dodd.....	39
An Isosceles Distribution of Material Entities	55
I. The scales of mass, time, and "rank" of science.....	56
II. The isosceles distribution of all material entities.	57
III. Implications of the "mass-time triangle."	59
Notes.....	68
The Scientific Measurement of Fitness for Self-Government.....	69
The Facts to Date.....	70
A Proposed Measuring Instrument for Self-government.....	71
Application of the Measuring Instrument	76
References.....	81
Techniques for World Polling.....	83
I. Planning for International Polling.....	83
II. A Matrix Model for Standardizing Polling.....	84

III. Review of General Publications.....	90
IV. The Administering Stage.....	91
V. The Designing Stage	93
VI. The Questioning Stage	94
VII. The Sampling Stage	95
VIII. The Interviewing Stage	96
IX. The Analyzing Stage.....	97
X. The Reporting Stage.....	98
XI. The Interrelating Stage	98
XII. Recommendations for Developing World Polls.....	99
Notes.....	100
The Logistic Diffusion of Information through Randomly Overlapped Cliques.....	101
I. The Problem.....	103
II. Background.....	104
III. Procedure.....	105
IV. Findings	106
V. Explanation	111
VI. An Application.....	112
VII. Research Needed	113
References.....	114
Notes.....	115
Tables of Contents of Stuart C. Dodd books	117
Social Relations in the Middle East	118
Table of Contents - The plan of the book.....	121
List of Plates	123
I. The purpose of this book	125
II. The limits of this book.....	126
III. The plan of this book.	127
Light from the Near East.....	134
A Controlled Experiment on Rural Hygiene in Syria.....	137
Table of Contents.....	138
Appendices	141
List of Illustrations	142
Preface	143
Acknowledgements.....	145
Abstracts.....	146
Abstract of Part I. – A Hygiene Scale	147
Abstract of Part II. – Hygienic Status	147
Abstract of Part III. – Hygienic Progress.....	148
Abstract of Part IV. – Hygienic Forces.....	149
Dimensions of Society.....	150
Table of Contents.....	152
Science and Sociology.....	154
I. Purpose of This Volume	154
II. The Concept of Science (In This Volume)	154
III. The Concept of Sociology (In This Volume)	160

IV. The Concept of "Quantitative" (In This Volume).....	162
V. The Concept of a System (In This Volume).....	164
VI. Notes.....	170
Systematic Social Science	171
The Intention of This Offset Edition.....	172
List of Plates	176
List of Tables	182
Systematic Social Science, $S = sX;s$	184
Detailed Table of Contents	185
Section A: Introduction - Analyzing Observable Elements.....	185
Section B: Environment - Analyzing Spatial Dimensions 25.....	185
Section C --- People - analyzing Populational Dimensions 51	186
Section D - Characteristics - Analyzing Indicatory Dimensions	187
Section E – Change - Analyzing Temporal Dimensions	189
Section F - Introduction Synthesizing Recorded Dimensions.....	190
Section G -- Controls Synthesizing - Correlated Factors	191
Section H – Crafts - Synthesizing Group Controls.....	192
Section I -- Communities - Synthesizing Regional Crafts	193
Section J – Societies Synthesizing Coeval Communities	193
Section K Social Science Studying Social Situation	194
A Social Distance Test in the Near East.....	196
Abstract.....	196
Notes.....	205
The Likability Models for Predicting Probable Acts of Men	293
I. The "Likes" Model.....	293
A. The Problem.....	293
B. The Observing.....	294
C. The Likes Hypotheses.....	296
D. The Testing (Ref. 25)	298
E. The Applications	299
F. The Systematizing	299
II. The "Likables" Model.....	302
A. The Problem.....	302
B. The Observing.....	302
C. The Hypotheses	303
D. The Testing	304
E. The Applying.....	308
F. The Systematizing	310
III. The Full Likability Models	310
A. The Problem	310
B. The Observing.....	311
C. The Hypotheses	312
D. The Testing	313
E. The Applying.....	315
F. The Systematizing	315
Exhibits.....	318

Exhibit A: The Likes-Ratings Scales	319
Exhibit B: Ratings of Organizations.....	320
Exhibit Ca: Baseline Experiment.....	322
Exhibit Cb: Simulated Experiment.....	324
Exhibit D: Project Worth, Test 1 1963	326
I. What is liked Most:	326
II. Specifications of this "Likables Scaling".....	328
III. Trial Scorings of Likables.....	329
IV. Hypothesis on Likables	329
References.....	357

Introduction

This set of fourteen articles was republished in the form of microfilm in the Sociological Microjournal, Copenhagen, 1970. It was necessary to contact the University of Copenhagen in order to obtain copies of the articles.
